THIS IS IT

It's true—after twenty-one years as commercial Iris growers in the San Fernando Valley we're closing out our stock. EVERYTHING MUST GO BY AUGUST 1st: OUR PROPERTY HAS BEEN SOLD. Because of this we are passing on to you unheard of bargains—WHOLESALE PRICES for both RETAIL and WHOLESALE purchases. So take ADVANTAGE OF OUR SALE NOW! REMEMBER, our sale prices do not lower our usual standards.

Our descriptions in this listing are brief. For further information our regular customers can check for more detailed descriptions of color, form, hybridizing, etc., in our 1959 catalogue.

IRISLAND will not be open this year, except by appointment, because of many complications. Should you wish to consult with us, please phone State 5-6014.

ADDRESS ALL COMMUNICATIONS to same address: 7041 Woodman Avenue, Van Nuys, California.

We want to take this opportunity to thank all of you for your patronage and confidence in us during our years as a commercial grower. This will always be a memory to cherish. David and I are retiring from active business and hope to travel around the country visiting the many friends we have made through the Iris.

READ CAREFULLY BEFORE ORDERING

At these prices, no order under \$10.00 can be accepted. California residents add 4% sales tax. BECAUSE OF RISING SHIPPING COSTS, it is necessary that we make a minimum charge of seventy-five cents (.75c) for TEN RHIZOMES and an additional charge of ten cents for EACH ADDED rhizome, to help cover postage and packing costs.

Orders will be filled and shipped in rotation as received, via Parcel Post, unless requested otherwise. SHIPPING DATES from June 20th to July 31st.

FREE BONUS GIFT on all orders received by June 10th . . . the bigger the order, the better the gift. PLEASE include a list of acceptable substitutes for us, to use where items ordered are sold out, as stock is quite limited with many varieties. If no substitution list is included we will send you the best and nearest to your order in an equal or better priced item, unless otherwise specified, since we found you, our good customers, repeatedly returned our refund checks last year, requesting that we substitute instead.
